Dowsing – The Whole Kit & Kaboodle
Southwest Conference Announcement

STEVE: The following needs to be inverted so that when the flyer is opened it is not ‘upside down’.

Important note: Little America is dedicated to providing quality facilities and outstanding guest service at a great value to create a memorable stay. This is why Little America staff has significantly updated their food service department including new menu choices. Little America staff assures us that in addition to a great stay, we will not be disappointed by the new and much improved lunch menu offered during the conference.

NEW! This year's conference offers an all day **Youth Dowsing Workshop** on Saturday, October 10th from 9:00 am to 4:00 pm. This special workshop, facilitated by long-time dowser, Raymon Grace is FREE to all kids ages 9 – 19. Through his "down-to-earth" style, Raymon will share stories from real life experiences, sprinkled with humor. Raymon will teach kids basic dowsing techniques, demonstrate how to read a dowsing chart, change the energy of food and water, and ways to improve school conditions and safety. Raymon will also talk about the importance of positive thinking, goal setting, and visualization, self-esteem, and general self-improvement.
